

Adholics, Created by a bunch of ex, advertising sales reps. They do the negotiation for your business with the big media companies, If its billboard's or full page newspaper spread, Adholics can manage the process. When they wanted to push for some new clients they came to clique.agency looking for help.

After working with clique.agency, Adholics has seen a noticeable uptick in their client numbers while also seeing a decrease in their Cost-Per-Acquisition (CPA). They've not only seen improvements across the board in terms of PPC metrics, sales, and actual revenue, but their Conversions(new clients) has improved by 195% - building more and more confidence in their digital campaigns.

**"I've been inundated! Averaging 8 to 10 quality leads a day, the phones been ringing non stop since ive done the campaign...  
... I've now had to hire more staff" - Jake O'Donnell**
